CHAMPIONS

WORKING CREDENTIALS: To request credentials, visit csura.ms/VBCredentials. All requests should be made as early as possible and should be limited to working press only. Working space at Moby Arena is limited.

Credentials will be issued on a priority basis, with national publications, daily newspapers, originating radio and television networks, and student newspapers from CSU and the visiting school receiving top priority. Requests from weekly newspaper, internet publications, and radio stations that cover CSU and the visiting team will be honored on a space-available basis. Requests for credentials will be reviewed on a game-by-game basis.

The Colorado State Athletics Communications office has the authority on whether individuals from any organization will be issued credentials. Complimentary tickets are not provided.

Spouses, dates, equipment carries and non-working members of the media are restricted from the media area, courtside and interview areas. Any abuse of a credential to a CSU athletic event will result in the corrective measures up to and including immediate removal of the media member from the event and/or the agency losing credential privileges for the remainder of the season.

Credentials are issued to the individual.

INTERVIEW POLICIES: All requests for Colorado State volleyball coaches, student-athletes, and support staff should be arranged ahead of time through the CSU Communications office with at least 24 hours notice. Members of the media who violate this policy are subject to loss of credential privileges for themselves as well as their organization.

MEDIA WILL-CALL: Credentials may be picked up at the Media Entrance inside Moby Arena or arranged to be received during business hours at the Communications office. Please be mindful that parking passes cannot be picked up at willcall and must be received prior to game day.

COURTSIDE AREA: Excluding select portions of the game, media courtline access is reserved for photographers/videographers. When on the courtside, media must remain in the designated boxes on the sidelines. This includes pre-game activities.

PHOTOGRAPHERS: Credentials for photographers will be issued on the basis of circulation, with priority granted to agencies covering the participating schools on a regular basis. Credentials will not be issued to freelance photographers unless they are employed by a reputable publication or the Communications office of the participating schools. Credentials are issued to photographers for the purpose of media coverage only, and images of the game may not be used for commercial purposes without the expressed, written permission of Colorado State Athletics.

COURT & LOCKER ROOM ACCESS:
Photographers are allowed access on to the court only following the game.

Colorado State's locker room is closed at all times.

RECRUITS: Per NCAA rule, media are not permitted to have contact with a prospect or family members of a prospect during their visit (official or unofficial) to campus, including prospects in attendance at practice or games. Contact includes in-person conversations, phone calls, text messages, e-mails, etc. Media are also asked to make every effort to keep distance from prospects on campus, including at practice, during pre-game activities courtside and in the stands.

PRINTED MATERIALS: Printed materials during the match will not be distributed this season. Media members, including radio, are encouraged to utilize the live stat systems to track stats during the game. Complete stats will be printed at the end of the match and posted on CSURams.com

POST-MATCH INTERVIEWS: For home match, Head Coach Emily Kohan will hold a postmatch press conference with the media on the Moby Arena court following TV/Radio availability. Members of the working media may request interviews with student-athletes beginning in the third set. A request does not guarantee a student-athlete will be made available. Assistant coaches are not available for post-game interviews.

PRACTICES: Practices are open to media on a case-to-case basis. Video is permitted for individual drills only, although media may be alerted of other portions that are not available for video. Media should remain on the outside edges of the court. Interviews will be held immediately following practice. Requests for student-athletes or assistant coaches should be made prior to practice concluding.

MOBY ARENA

Head Coach Emily Kohan doesn't shy away when talking about Moby Arena – the home court of the Colorado State volleyball program – calling it one of the greatest volleyball venue in America. It is one of the most distinctive and effective home-court playing facilities in the nation. Thanks to its dedicated fans, Moby Arena is home to crowds and winning percentages matched by few programs across the country.

Kohan experienced and electrified Moby Madness firsthand in her first career game as a head coach, leading the Rams to victory over No. 10 Kentucky infront of nearly 8.000 people who came to watch Colorado State's annual White Out game.

Colorado State University boasts a rich and proud volleyball tradition that dates back more than 50 years. Part of that proud history includes one of the most distinctive and effective home court playing facilities in the nation. The team's home arena, Moby Arena, is a cozy and intimate playing facility nestled in the heart of the university's central campus. It's also an arena that through the years has spawned Moby Madness, the raucous support of fans witnessing Rams volleyball.

The arena features the pride and tradition of the Rams program that dates back a half a decade and a newness associated with renovation projects completed in 1999, 2001, 2009, 2012 , 2013 and 2019.

When the initial renovation was completed in 1999, the entire facility had undergone a major face lift, including all-new seating, meeting rooms, and a new locker room and player lounge area - which were again updated for the 2009-10 season.

In 2001, another renovation took place in Moby Arena when an entirely new playing surface was installed. More than 23,000 square feet of hardwood was installed on the floor of the arena. The 2010-11 season marked the first for CSU's $1 million state-of-the-art videoboard system. And the latest upgrades, which were completed in two phases in 2012 and 2013, included remodeled concourses with updated ticket windows, restrooms and concessions stands throughout the arena, and a newly designed Hall of Fame room on the arena's south concourse.

The combination of attractive playing facility, CSU's rich volleyball history, and local university support combine to form Moby Madness.

The Thurman "Fum" McGraw Athletic Center opened in 1999 and houses the athletic department's staff, coaches, ticket office and the academic support area. The McGraw Center includes two additions to the Moby Arena complex

On the south side of the arena is an addition that includes new locker rooms for male and female athletes, training room and equipment room areas, a weight room and an injury rehabilitation center. The

new facility ranks among the most efficient in the nation. It provides Colorado State's student-athletes with state-of-the-art training facilities. Critical to the new facility is the training and rehabilitation center for the prevention, diagnosis and treatment of athletic-related injuries.

One of the focal points of Moby Arena is the Colorado State Sports Hall of Fame area, located on the south concourse. The exhibit features artifacts throughout CSU athletics history, including plaques and awards for members of the school's Sports Hall of Fame. Boosters, fans, alumni and supporters of the program have the opportunity to visit the reception area and see displays tracing the history and tradition of Colorado State athletics. Behind the hall of fame display is the newly renovated and expanded Bob Davis Hall. The 5,000 square foot room serves as a large meeting space for banquet events and press conferences.

Moby Arena offers a game day experience like no other. Fans of all ages in Fort Collins can enjoy top-notch college volleyball and basketball in one of the most fan friendly and intimate settings in the country.

Moby Arena served as the setting for the 1976 movie, One On One, and also has hosted national recording artists such as Big Head Todd and the Monsters, the Steve Miller Band and The Fray have played to sold-out crowds. Until the 1990s, Moby Arena was known as Moby Gymnasium.

MOBY ARENA **NOTES**

» In 2022, the Rams set a match attendance record in their first sell-out of Moby Arena against the Colorado Buffaloes, packing in 8,396 fans into Moby Arena to watch the Rams take down their in-state rival Buffs in four sets.

» Since 2000, CSU holds a 53- 7 record against Colorado's four DI teams (Colorado, Denver, Air Force, Northern Colorado) in Moby Arena. CSU is 185-20 (.902) in Moby Arena against Mountain West schools.

» CSU ranked 11th in the country in 2024 with a average attendance of 3,579 - a program record and just the fifth time in program history the team has averaged over 3,000 fans per game and the first time boasting three straight seasons averaging over 3,000 fans.

» CSU averaged a program-record 3,283 fans per match in 2013, which ranked seventh in the country.

» The Rams have been ranked in the Top 25 nationally for attendance each season since the NCAA began reporting the category in 1986, including the top 10 on nine occasions and the nation's leader in 1988.

» CSU has hosted the NCAA Tournament 12 times, including the 2008 Regional Finals.

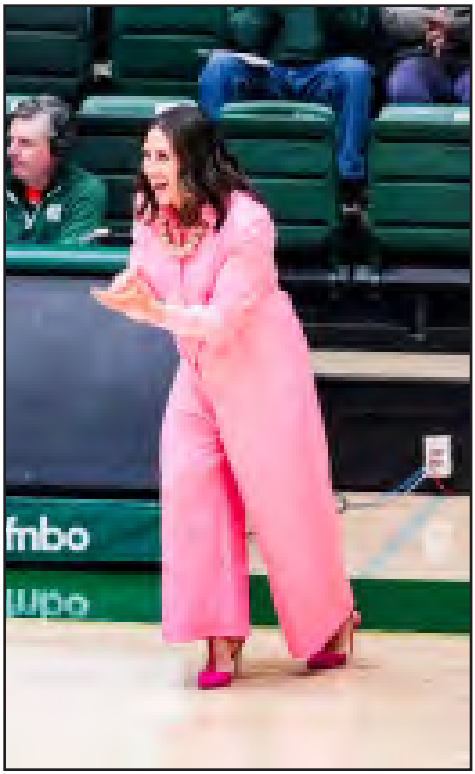
Emily Kohan (Hiza) was announced as the sixth Head Coach of Colorado State Volleyball in program history in December of 2022. Kohan enters her tenth season with the Colorado State volleyball coaching staff in 2025 while stepping into her third season as Head Coach after serving as an assistant and then associate head coach since 2015.

The head coach was hired by previous Head Coach Tom Hilbert on Jan. 8, 2016 as an assistant before being promoted to associate head coach in August 2019. When Hilbert announced his retirement at the close of the 2022 season, Kohan was announced to be the successor to the 26-year head coach.

"It is truly a dream opportunity to represent Colorado State as the next head volleyball coach for this storied program," Kohan said. "Thank you to Joe Parker, Shalini Shanker and Steve Cottingham for their thoughtfulness throughout this entire process to ensure our team is taken care of. Also, a big thank you to Tom Hilbert for mentoring me over the past seven years to understand what makes this program special and how to be a good steward as he passes the torch.



The Fort Collins community loves this team, and my family equally loves the Fort Collins community – Pat, Evie and I are blessed to call this place home. I speak for our whole group, staff & players, when I say we're ready to work to build on the legacy of Colorado State Volleyball and bring home more championships."

Her first year at the head of the program also boasted the highest average attendance since 2014, three individual school records including Malaya Jones breaking the single season kills record and three team school records in kills, assists and points.

"Big thanks to everyone who helped make the 2023 season incredible during the transition to Head Coach. there is nothing like the love of the Ramily, and I'm grateful to the fans, boosters, Fort Collins community and university for all the support each week. I am proud, but not satisfied - we had a lot of great moments and development this yearto build on for the future. In the following two seasons, she guided transfer libero Alexa Roumeliotis to pace the Mountain West in digs and earn back-to-back All-Mountain West honors. The 2021 season saw the season-ace record fall under the direction of Kohan, as Ciera Pritchard recorded 47 to set the modern-scoring record and tie for seventh all time.

Kohan is also instrumental in the program's academic success as CSU has had a Mountain West leading 51 Academic-All-Conference selections and the program's all-time high cumulative GPA during her tenure. The Rams also received four CoSIDA All-District honors and a pair of CoSIDA Academic All-America awards during her time on staff.

BRI OLMSTEAD

DIRECTOR OF OPERATIONS

17TH YEAR AT COLORADO STATE | COLORADO STATE, '06

Former Rams standout Bri Olmstead enters her 17th season as a full-time member with the Colorado State staff in 2023 as the program's Director of Operations. She is responsible for all off-the-court duties, including scheduling, travel logistics and the organization of CSU's summer camps. She is the program's first-ever director of operations, a position which was created prior to the 2012 season.

After working with former Head Coach Tom Hilbert for 16 seasons, Olmstead was assured her position would remain the same under current Head Coach Emily Kohan.

Olmstead, formerly Bri Frech, first joined the Rams as a player in 2003 after spending her freshman and sophomore seasons at Salt Lake City Community College. During the 2003 and 2004 seasons, Olmstead was a consistent starter for the Rams, earning All-Mountain West (2004) and MW Championships honors (2003, 2004) while leading CSU to NCAA bids both years and a combined 56-9 record (.862). As a junior, CSU advanced to the NCAA Regional Semifinals, and during Olmstead's senior season, the Rams were ranked as high as No. 9 nationally.

Today, she still ranks first in CSU volleyball history with 0.41 aces per set, totaling 92 over her two-year career. Her 1.22 career blocks-per-set average ranks eighth, and her .956 reception percentage ranks seventh. In 2003, she recorded 51 service aces, the sixth-most in CSU single-season history. Olmstead holds several of CSU's top individual single-match marks, as well, including a .654 hitting percentage (19-2-26) against Florida A&M on Aug. 30, 2003 (fourth-best for five-set matches), seven aces vs. New Mexico on Nov. 15, 2003 (tied-second for three-set matches) and 10 block assists on two occasions (tied-second for three-set matches).

In 2005, Olmstead served as a student-assistant for the Rams while completing her degree. She then played professionally in France for MVS La Rochette during the 2006 season.

Olmstead returned to Fort Collins in 2007 to pursue a career in coaching. She was the team's video and statistics coordinator during the 2007 season, before joining the staff full-time as an assistant coach from 2008-11.

She tutored the school's top libero, Katelin Batten (2006-09), who holds the CSU record for career digs (1,783). On the serving end, CSU set a program record for serve percentage in 2011, effectively serving at a 92.4 percent rate. The statistic began being tracked in 2001, and from 2009 to 2011, all under Olmstead, CSU had its top three percentages at the time.

From 2008-11, CSU won three conference titles and advanced as far as the 2009 NCAA Round of 16. CSU's overall record with Olmstead on the bench as an assistant coach was 98-24 (.803), including at least one NCAA tournament victory each year.

Olmstead received a Bachelor of Science degree in business administration from CSU in 2005. She is married to Charlie Olmstead and has two daughters Lilly and AJ.

CHAMPIONS ON THE COURT

Since the Mountain West's inception in 1999, the Rams have been stalwarts in the league, winning a title in 18 of the 26 titles – including winning 11 tiles in the last 15 seasons.

CSU has earned 17 regular season titles and five Mountain West Tournament crowns in the eleven seasons (the tournament ran from 1999-06 and again in 2011) prior to the 2021 season. The 22 total championships is more than all other Mountain West schools combined – past and present.

For those who have played four seasons under former Head Coach Tom Hilbert during his 34 year reign at Colorado State, each has won at least two conference titles, with all but five players winning at least three. Three athletes finished their careers at CSU in 2014 with five titles to their credit, while two athletes finished with four each from 2012-15.

In 25 years with the MW, CSU has won or shared the regular-season or tournament championship in all but six seasons. The program also boasts titles from both the Western Athletic Conference (1998) and the High County Athletic Conference (1984, '85), totaling 25 overall championships, more than any other at CSU.

DEEDRA FOSS | MCKENNA, WASH. | THIRD TEAM (2014)

Deedra Foss closed her stellar CSU career by earning Third Team All-America honors and receiving Mountain West Player of the Year recognition. Foss was one of the elite setters in the country in 2014, and was one of only two players to rank in the top 10 for assists while her team ranked in the top 10 in hitting percentage. Foss, who was named the Sports Imports/AVCA National Player of the Week on Nov. 25, 2014, also led all setters in the region in blocks with 0.73. Foss was also an All-MW selection in 2012 and 2013 - including being the designated setter as a junior, and in 2011 was the conference's Newcomer of the Year. Foss' 4,833 career assists rank fifth all-time at CSU, and are the top mark in the 25-point set era.

ADRIANNA CULBERT | DELTON, MICH. | THIRD TEAM (2015)

Culbert made headlines throughout 2015, including winning a pair of national player of the week awards (AVCA and espnW) and two Mountain West Player of the Week honors, and closed the season as the Mountain West Player of the Year. Culbert was named Mile High Sports Magazine's College Athlete of the Year, becoming the first CSU volleyball player to earn the award. She was also named the Colorado Sports Hall of Fame Female Collegiate Athlete of the Year. She had a match to remember at San Jose State on Oct. 17, recording the first quadruple-double in the NCAA in over five years by totaling 10 kills, 20 assists, 13 digs and 11 blocks. The Rams have earned respect nationwide as one of the most consistent and successful programs in NCAA history. In fact, CSU has been ranked in 314 of the AVCA's all-time Top-25 polls. Only 14 teams, entering 2021, have been ranked more frequently than the Rams. What's more, CSU has been ranked in the final AVCA poll 18 of 37 seasons, including seven of the last decade, which rankS18th.

CSU's highest-ever ranking was No. 3, in September and October 2000, shortly after the Rams took down No. 1 UCLA. CSU's best overall finish to a season was No. 6 in 1987. The Rams have been ranked in the top 10 a total of 76 weeks, 18th-most in the NCAA.

They have finished the season ranked in the top 10 four times (1984, 1987, 2000 and 2001), and are one of just 30 teams to ever be ranked in the top five in the final AVCA Poll.

FORT COLLINS

The Choice City

One of Colorado's most vibrant cities, Fort Collins is the best place in the country to live, work and play. Located on the northern Front Range of the majestic Rocky Mountains, the city is within an hour's drive of Denver, the nation's 19th-largest metro area.

Fort Collins' 170,000-plus residents bask in 300 days of sunshine per year — more than San Diego and Florida — and includes the historic Old Town district with its restaurants, shops, and entertainment, all within walking distance of campus. The city also boasts a lively arts and cultural scene and is a haven for outdoor enthusiasts with more than 300 miles of bike paths and trails, and easy access to the scenic Poudre River and majestic Rocky Mountain National Park.

Since its founding as a military fort in 1864, Fort Collins has anchored northern Colorado's rich heritage of academic, business and recreational pursuits. Hiking, mountain biking, kayaking, river rafting and rock climbing are just a few popular outdoor pursuits for students and residents.

The city maintains more than 600 acres of parks, 30,000 acres of natural areas, 30-plus miles of off-street trails for hiking and biking, and four golf courses. The Lincoln Center and the University Center for the Arts, anchored in Fort Collins, are northern Colorado's cultural arts centers.

THINGS TO DO

A day in Fort Collins can be filled with things to do and see. Where else can you spend the morning admiring a zoo-full of fanciful metal sculptures, the afternoon touring a brewery, and the evening listening to live music in an open-air amphitheater?

With a thriving arts scene, burgeoning craft culture, an amazing mix of outdoor recreation opportunities and more, Fort Collins has something for everyone.

Craft Beer
The city of Fort Collins and the craft beer industry have a very unique relationship. Fort Collins produces 70 percent of the craft beer produced in the state of Colorado. Currently, the city is home to the most microbreweries in the state, over 20 craft breweries as a matter of fact, and each one has its own distinctive style. This includes New Belgium Brewing which is one of the world's largest operations as well as a leader in eco-friendly and sustainable business practices.

Outdoor Activities
Fort Collins rates very favorably on lists of towns that offer exceptional outdoor adventures. Whether you're in Fort Collins for just a few days or weeks at a time, it's nearly impossible to explore all of the trails, lakes, and streams in the surrounding foothills and mountains. Biking, fishing, hiking, golfing, riding horses, canoeing and camping, you name it, Fort Collins has you covered when it comes to outdoor recreation.

Fort Collins has big-city offerings with the amenities of a Colorado mountain town. All of the aforementioned activities including exploring open space are all encouraged on your visit to Fort Collins, which plays host to National Forests, the Cache la Poudre River and Horsetooth Reservoir. Outdoor attractions in and around the city will keep you busy for days!
